簡報大綱

- 公司概况 Company Overview
- 產品服務 Product & Service
- 財務績效 Financial Performance
- 營運展望 Business Outlook

基本資料

- 成立日期：76年08月28日
 - 董事長暨總經理：蔡鎮隆 先生
 - 資本額：7.76億
 - 總員工人數：1800人
 - 營業項目：模具、塑膠成型及二次加工
-
- 股票代號：1336
 - 興櫃日期：94年12月13日
 - 上櫃日期：96年11月02日

歷史沿革

Taihan Precision founded in 1987, has over 30 years' experience in precision mold design, manufacture and plastic component injection.

Established
Factory in China
(Dongguan)

Established
Factory in
Philippines

技術能力-Tooling design

- ◆ Design for Manufacturing, DFM
- ◆ Mold Flow Simulation (Thermal / Shrinkage / Sink Mark / Weld line)
- ◆ Single/Double Shot Mold, Insert/Over Mold, Gas Assistance and Hot Runner Mold
- ◆ Tooling Experts : 50 employees, each w/over 5~21 yrs experience

技術能力-Molding

- ◆ Taihan Group : Injection Machine 295 Sets in total
- ◆ Tonnage : From 40T to 1000T (Max. tooling size : L_1500mm * W_920mm * H_1000mm)
- ◆ Common use of material :
PS. PBT. PC. PC+ABS. PC+GF. PP. PMMA. TPE. PA66. PE. POM. PCR

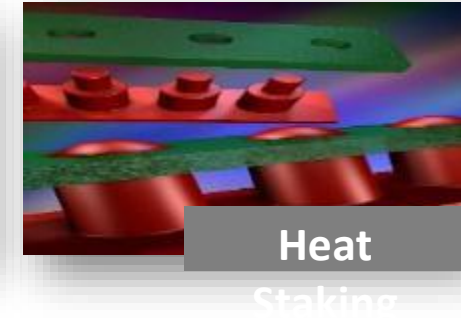

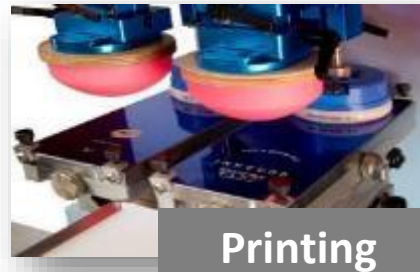

技術能力-2nd Process

- **Assembly & Secondary Processes**

Comprehensive in-house secondary operations include

- ✓ de-gating
- ✓ ultrasonic welding
- ✓ laser etching
- ✓ pad printing
- ✓ heat staking
- ✓ glue dispensing

- ✓ **Painting (VN site only)**

Our Class 10,000 cleanroom painting line ensures high-quality coating and excellent color consistency. We also support UV coating, scratch-resistant finishes, and alcohol resistance testing, meeting the demands of high-appearance and performance-critical applications.

技術能力-QA System

- 2.5D Measure Equipment
- Coordinate Measuring Machine (CMM)
- Force/Drop/Roughness Tester
- Temperature and Humidity Tester
- 3D Scanner for Profile Measurement
- ROHS Spectrometer

Dimension Measurement
